Almac Clinical Services Incorp (ACSI)	84 FR 3253	February 11, 2019

The DEA has considered the factors in 21 U.S.C. 823, 952(a) and 958(a) and determined that the registration of the listed applicant to import the applicable basic class of schedule I controlled substance is consistent with the public interest and with United States obligations under international treaties, conventions, or protocols in effect on May 1, 1971. The DEA investigated the company's maintenance of effective controls against diversion by inspecting and testing the company's physical security system, verifying the company's compliance with state and local laws, and reviewing the company's background and history.

Therefore, pursuant to 21 U.S.C. 952(a) and 958(a), and in accordance with 21 C.F.R. 1301.34, the DEA has granted a registration as an importer of a schedule I controlled substance to the above listed company.

Dated: March 21, 2019.
